Lindsay Rectangular Dining Table

\$168.00

Description

The Lindsay Rectangular Dining Table is a solid representation of Scandinavian minimalist design. It features a spacious table top with defined clean-cut edges. Tapered and splayed wooden legs exemplify basic principles of strength, structure and style found in mid-century modern Nordic furniture. Around the perimeter, its top edges slightly extend away from the frame expanding its legroom underneath. Its slender silhouette unclutters space creating an airy and light appearance. It is available in 3 classic modern colors.
