Ferndale Office Chair

\$163.00

Description

Iconic design combined with everyday use is the Ferndale Office Chair. Its molded plastic seat is modeled after the classic mid-century modern armchair created by famous designers Charles and Ray Eames. This version is perfect for home offices and workspaces featuring a unique 4-legged pedestal base with wheels. It is designed to glide smoothly over floors, even those with shallow carpeting. Its ergonomic shape provides exceptional comfort for extended periods of use. This is a contemporary chair ideal for upgraded work environments.
